## BEAR THIS IN MIND.

It Will Save You Many a Dollar and a Lot of Trouble.

After trying remedies that helped you.

When you have tried "cures" that didn't.

When you are completely stuck and in despair.

When your poor back still aches.

Because you don't get down to causes.

Try Doan's Backache Kidney Pills.

The unexpected always happens.

If you toss all night racked with back pain.

If you cannot bend over nor straighten up.

Depend upon it, it's your kidneys.

Kidney disorder rarely leaves of its own accord.

The tenant has to be evicted.

Doan's Backache Kidney Pills do not compromise.

Or arrange for a new lease.

They cure all kidney complaints.

This is their mission and they fulfill it.

Read how they fulfilled it in the case of this Yonkers, N. Y., citizen:

Mr. P. J. Sherman, of 136 New Main street, employed by Smith & Rogers, ice dealers, says: "I have been troubled with symptoms of kidney complaint for several years. I had sharp, shooting pains across my back, accompanied by a stiffness in my loins and a languid feeling most of the time. I did not notice it so much at first as long as I was kept busy with my work, but on Sundays when I sat around the house I became so stiff and sore that I could scarcely get up after sitting any length of time. I doctored and many different kinds of kidney remedies but could not get any relief. One doctor said I had Bright's disease and advised me to give up my employment but I could not afford to do so."

"I had read in our daily paper about Doan's Backache Kidney Pills and as I had to do something I had my wife get me a box at Geo. B. Wray's drug store. They relieved my trouble in a short time and they did me more good than any other remedies or prescriptions I ever took. I do not hesitate to recommend these pills to others for I believe they will accomplish all that is claimed for them."

Doan's Kidney Pills for sale by all dealers. Price 50 cents, or will be mailed by Hollister & Co., Ltd., Honolulu, general agents for the Islands. Remember the name Doan's and take no substitute.

## TO BID ON SEATS

Stock Exchange Invites Tenders for Membership.

ONE DOZEN IS THE LIMIT

There Will be Sitings Every Other Day—To Begin Next Week—The Officers—Fees.

At a meeting of the Honolulu Stock Exchange held at 7:30 last evening permanent organization was effected. The seven original members were present or represented. Getting down to business the Constitution and By-Laws of the San Francisco Stock Exchange were considered by sections, amended where necessary and adopted. The first important change made was in the number of officers. It was decided to combine the offices of president and chairman, and to strike out that of assistant secretary. Election of officers resulted unanimously as follows:

J. H. Fisher, president and chairman.

Harry Armitage, vice president.

George H. Carter, secretary.

Bank of Hawaii, treasurer.

Col. Fisher was elected on his experience. He is not a broker now, but was considered the fittest man in sight to direct the business of the Exchange. The Bank of Hawaii was not consulted respecting its appointment, but 'Change felt sure its barrels of money would not be refused there.

Further on in the by-laws it was considered not necessary to adopt the tabulated scale of fees prescribed in the constitution of the San Francisco Exchange. It was unanimously decided that all fees will be one-half of one per cent on all transactions to both buyer and seller. On Exchange and in dealing with other brokers between boards the fees will be divided. Deals on Exchange will always be between brokers. Names of purchasers will not be used. There will be many transactions between sessions. In all such, board quotations will be the guide. Transactions between sessions will not be reported.

It was decided to hold three meetings a week for the present: Tuesdays, Thursdays and Saturdays were selected as board days. Sessions will be held in the forenoon only. As soon as the cable is laid, or sooner if business requires, there will also be afternoon sittings. The first meeting will be held next Thursday morning, September 1.

All transactions between calls will be, as near as possible, on the basis of the last session. The fee rate will be strictly complied with. Only in deals between buyer and seller direct may a broker charge the full fee of one per cent, a half from each side.

The matter of the number of members came up. All felt that there must be a limit. Nine applications for membership, each tendering the fee of \$1,000, were reported. To admit them all would swell the membership to sixteen. It was felt that that would be too many. After considerable discussion it was agreed to fix the limit at twelve. This would make five extant vacancies. All of the nine applicants were personally acceptable, and no conclusion as to which particular ones should be taken in could be reached.

It was at last decided to invite them to bid for seats. There was no other way out of it. The five men willing to pay the most for the privileges will be admitted. Applications for membership, together with bids must be filed with the secretary, George R. Carter, today.

George F. McLeod, Walter M. Giffard and Fred Lewis were among the applicants. Two have had extensive experience on exchanges in the States and all are most desirable men.

The by-laws as adopted were left open for amendments as time and occasion may require.

## MORNING SESSION.

A special meeting of brokers was held yesterday morning to arrange the preliminary details of the proposed Stock Exchange. George R. Carter was elected temporary chairman and Willard E. Brown temporary secretary. George R. Carter, Harry Armitage, W. E. Brown, W. A. Love, J. F. Morgan, J. H. Fisher and E. C. Macfarlane qualified for membership. It was proposed to make the Exchange an association rather than a corporation.
